September in Summit County

Photos from
Boreas Pass

Although Summit County is famous as a ski destination, it is a beautiful place to vacation year round. September is a great month to visit Summit County. The kids are back in school, and the weather is still nice. Here are some upcoming September events in Summit County:

- Frisco's annual Oktoberfest will be held Saturday, September 8, featuring food, drink and music on Frisco's Main Street.
- Breckenridge Oktoberfest kicks off on Friday, September 14, and lasts through Sunday the 16th.
- For mountain bikers, Breckenridge's Singletrack Festival will be in full swing September 7-9. Join in for a weekend of riding, games, free clinics and cold beer.
- The 24 Hours of Frisco trail running race along the shores of Lake Dillon begins Saturday, September 22.

All month, many local restaurants feature "two-for-one" meals and lodging rates are low. Around the middle of September, the Aspens turn gorgeous shades of gold and orange. A short drive up Boreas Pass in Breckenridge brings you to some beautiful fall foliage. In Frisco, a hike up Mt. Royal traverses through beautiful Aspen groves.

SMR Acquires White Cloud Lodging

Summit Mountain Rentals is excited to announce our new line of vacation rental homes. In July, we acquired White Cloud Lodging in Breckenridge, adding 25 luxurious mountain homes to our portfolio. White Cloud has been offering vacation home rentals in Breckenridge since 1980. These spacious homes make an excellent option for multi-family vacations, family reunions, weddings and corporate retreats. Visit www.white-cloud.com to see our new properties.
